Cash drawer	Epson printer compatible	Printer driven	49-CDR400J
		(select installed printer	
		driver from drop-down	
		menu)	

### Printer Setup (S-Line or ST-EP4 Serial)

- 1. Open the Future Fusion Back Office program and login with the proper credentials
- 2. Click on the Settings icon and under General Settings, double click System Devices
- Click on the Terminals tab and click the right arrow at the top right corner to scroll through the options. Click on the Receipt Printer tab. For Printer Type, select Epson TM-T88 Serial and select the right COM port (COM1 by default)
