*****Note**: You <u>must</u> have a desktop printer that can print full 8.5" x 11" pages attached to the main workstation for these settings to work properly. To set it up, navigate to **Tools** \rightarrow **Settings** \rightarrow **Workstations** \rightarrow **Main** / **Register** $1 \rightarrow$ **Reports** and select a desktop printer that can print full

pages. End result should look like below (Generic Printer used in example)***

General Info	Recei	pt Printer 1	Receipt			2 Rec			
Credit Card (1	of 2)	Credit Car	d (2 of 2)	Reports	rts Statements I				
Report Info	ormatio N <u>a</u> me:	Gener	ic / Text O	nly
